This includes the number of testing attempts I am allowed, the minimum number of days required between attempts, and any set timetables of test expiration or timeframes that reset testing attempts.
- I understand that scores can only be transferred to another institution by contacting ATI Testing directly and paying an additional fee for an official transcript.
- I acknowledge that all questions concerning my assessment results should be directed to the College’s Allied Health Department, since the Testing Center staff can neither evaluate scores nor determine if I will be admitted to my program of choice.
