

Test Study Course

Fast Facts

**Need help preparing to take or re-take the TEAS® or HOBET?
Our 4-Hour Classroom session can HELP!**

The Test of Essential Academic Skills or Health Occupations Basic Entrance Test assess readiness in basic Math, Science, Reading and English Grammar for students applying to health sciences programs. The programs that require the TEAS® or HOBET as a part of the admissions process include Medical Assisting, Nursing, Surgical Tech and many others.

The TEAS®/HOBET Test Study Course will help first time test takers and those re-taking either exam to prepare for the test by identifying knowledge that needs review, learning test taking strategies, managing test anxiety, and increasing confidence and speed. This is a 4-hour classroom session on how to create a study plan and for test taking practice.

Course Prerequisites:

- 1) Students **must be registered** on the appropriate ATI Testing Website (TEAS® or HOBET) and bring their ATI username and password to the class. Students who previously took an exam are already registered. Websites: **TEAS®:** www.atitesting.com/Home.aspx **and HOBET:** www.atialliedhealth.com/home.aspx
- 2) Either bring the assessment summary from a TEAS® or HOBET exam previously taken or purchase at least one ATI online practice test. **Take the practice test before coming to class and bring the practice exam assessment form to the class.** Additional test and study materials are available from the ATI website store at a cost.
- 3) Purchase the appropriate **Version V Study Guide** for either the **TEAS®** or **HOBET** exam. The study guides and practice exams are package priced by ATI and can be purchased from their web site. Study Guides are also available from other book sales sources. **Please ensure that you purchase and bring your Version V Study Guide.**

Course Content:

Students will learn test taking strategies featuring relevant parts of their **TEAS® or HOBET Version V** Study Guides. The **TEAS® or HOBET** Study Guide is used to practice test taking in all four subject areas: Reading, Mathematics, Science and English and Language Usage. Additional practice is held on test content, as identified by the students, and also guidelines to develop a personal learning plan for the **TEAS® or HOBET** Test are reviewed.
