- How to register myself using Banner Web, or where to seek help with that task;
- What other offices/college resources from which I need to seek assistance;
- Who my program faculty advisor is and how to reach him/her;
- What the dates are for registration for the next quarter;
- When fee payment is due, and how to indicate that HOPE or Pell should pay facilities & technology fees;
- To what extent I am developing a sense of self-confidence toward autonomy, or self-sufficiency, in pursuing my academic, career and personal goals.
