

Approved Caterers*

**Disclaimer: Chattahoochee Technical College requires all caterers/restaurants catering events at the Education Center be added to the Approved Caterers List. This is done by submitting the following information: a business license, other licenses (pouring), DHR Food Service Permit, DHR Food Service Establishment Health Inspection Report, a W-9 Sales Tax Exemption Form, a menu sample w/ current pricing, three references, and proof of insurance coverage for off-site catering. This list is not to be considered a recommendation of a particular caterer, but as an aide to our clients in selecting a caterer that has shown to have the above credentials.*
