Chattahoochee
TECHNICAL COLLEGE

Start here >

a step in the right

A photograph of three young adults walking outdoors in front of a brick building. On the left, a man in a dark grey t-shirt and khaki pants holds a stack of papers and looks towards the center. In the middle, a man with glasses, wearing a red t-shirt with a white paisley pattern and a backpack, looks down at the papers. On the right, a woman with long dark hair, wearing a white button-down shirt and a black crossbody bag, looks towards the man in the red shirt. The text 'a step in the right' is overlaid in white across the middle of the image.

DIRECTION

According to labor statistics, employment growth is expected to be fastest for positions that require a postsecondary education, especially in the technology-related fields.

For upcoming semester dates and deadlines, please visit our website at www.ChattahoocheeTech.edu.

YOUR STEPS

Applying for admission is easy to do.

1. Submit the college application and application fee.
2. Submit official high school/GED and college transcripts.
3. Study for and take the college placement exam.

THH

ADMISSIONS

Placement Testing

The placement test is used to determine how equipped a student is for enrollment in college classes. Each student's score is very important and determines admissions classification. There are minimum scores that must be met for each program. Students who score lower than the minimum required score must take additional learning support courses.

The test covers three areas: reading, writing/grammar, and mathematics/algebra. Students should allow 2-3 hours to complete testing.

Please consult your campus Admissions office for details.

YOUR TIME FOR SUCCESS

CTC offers:

- Day, evening, and weekend classes
- Eight campuses
- Convenient class times
- On-line and hybrid classes
- Academically credentialed faculty with real-world knowledge and experience
- Free tutoring, academic advising, and career services.

Books: \$500-600 full-time *(estimated)*
Malpractice insurance for students in select programs: \$3.18 - \$13.26 per semester
Other program/major-specific fees may apply.

TUITION & FEES

YOUR INVESTMENT

In addition to tuition that is over 50% less than our neighboring institutions, CTC students received over \$33 million in financial aid during FY2012. Three out of four CTC students receive some type of student aid.

Most CTC students qualify for some type of financial aid, you just have to apply! Complete the free application online at www.fafsa.gov, and use our school code of **005620**.

For additional financial aid assistance, visit one of our Financial Aid offices located on most campuses. The staff there are ready and willing to assist you.

Learning...outside of the classroom.

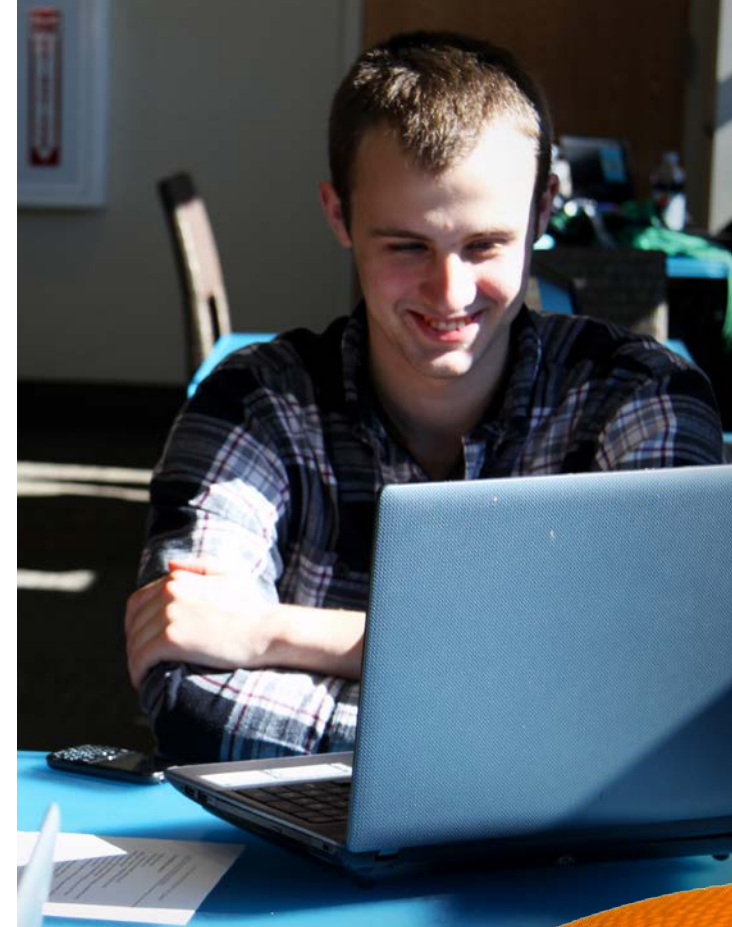

Being a student is about more than being in the classroom. There are plenty of ways to get involved at CTC. You can hear a comedian, work on a community service project, attend a conference geared toward your intended profession, be a part of our Student Guides program, join one of our athletic programs, or just enjoy a social event on your campus.

Chattahoochee Technical College offers a variety of student athletic programs:

- NJCAA Men's & Women's Basketball and Cross Country.
- A multitude of intramural sports. Visit <http://ctcweb.ChattahoocheeTech.edu/sports> for a complete listing of all of our athletic programs.
