The role of the *Economic Development Division* at Chattahoochee Technical College is to assist business and industry by offering the best Solutions for all of their training needs.

# We do this by:

- providing quality assessment tools to employers to help them determine the needs of the organization;
- designing training plans and coursework that meets the identified needs;
- delivering customized training based on those needs, onsite or at one of our eight campus locations; and
- offering training options for professional development for today's workforce.

Call us today to get started!

# **Summer 2014 Registration Procedures**

Regardless of what skills you want to learn or the direction your career path will take, one of the courses contained herein is sure to help you get there! The registration process is easy and can be done by:

- 1. Calling us at **770-528-4550** OR
- 2. Visiting our website at http://www.chattahoocheetech.edu/programsandcourses/continuing-professional-education/ and click the "Register Now: Schedule of courses and registration information" link for a full listing of the courses that are available for online registration, OR
- 3. Stopping by one of our campus locations:

### The Healthcare Academy

The term Allied Health is used to identify a cluster of health professions, encompassing as many as 200 health careers. There are 5 million allied health care providers in the U.S, who work in more than 80 different professions and represent approximately 60% of all health care providers. However, this is just a drop in the bucket in terms of how the number of allied health care workers that are needed to meet current and future healthcare needs in America. Take a look at our courses to see which course might fit your needs!

### **Industrial/Technical Programs**

Chattahoochee Technical College offers a wide range of courses in the industrial technical area. From OSHA Safety, and Mine Safety to Industrial Maintenance. Please take a look at our offerings.

### **American Heart Assocation Community Training Center**

The Community Training Center strives to promote the mission of the American Heart Association, fighting heart disease and stroke, by offering quality AHA training courses in basic life support, advanced life support and pediatric advanced life support to the community. The Community Training Center also serves to support affiliated instructors who require certification, the latest training information, materials and course completion cards. For more information or to register for this training call 770-529-2372 or 770-528-3538.

### **Intensive English Program**

Intensive English Program (IEP) offers a rigorous program that is extremely affordable. Students will receive a high quality education with a comprehensive and integrated approach to language acquisition and cultural adaptation. The IEP has five levels of study. A placement test and interview will determine which of the five levels students will be placed in. Class sizes are small and courses will vary dependent on level, but will include the following academic areas: Reading, Writing, Grammar and Speaking/Listening. Price includes tuition, books and one cultural activity (a meal will be included as part of the cultural activity). For more information, contact the International Services Department at (770) 528-5804.

### Paralegal Certificate Program

The Paralegal Certificate is a very popular program and can be completed in slightly less than a year. Each course is six weeks in length and is offered once per year on Tuesday or Thursday evenings. You may join the program at any time provided there is not a prerequisite for the class. The job outlook for paralegals is excellent. According to data from the U.S. Bureau of Labor Statistics, this occupation is projected to grow faster, through 2018, than other occupations that require

post-secondary training or an associate degree.

**TEAS/HOBET Test Prep**The Test of Essential Academic Skills (TEAS) or Health Occupations Basic Entrance Test (HOBET) assesses readiness in basic Math, Science, Reading and English Grammar for students applying to health sciences programs. The new revised curriculum for the TEAS/ HOBET Prep Course is designed to help first time test takers and those re-taking either exam to prepare for the test by identifying knowledge that needs review, learning test taking strategies, managing test anxiety, and increasing confidence and speed. This is a 4-hour classroom session that includes instructor-led practice, coaching, and how to create a study plan.

## **TEAS/HOBET Testing**

TEAS and HOBET are the entrance exams given to prospective health science students. Chattahoochee Technical College offers both the TEAS and HOBET in Version V. Sessions are available on the Marietta and North Metro Campuses several times per month, and occasionally on other campuses throughout the year.

### **Online Learning Options**

There are several online options available to you, with a wide range of highly interactive courses, including but not limited to Accounting, Project Management and Creating Web Pages, all of which can be taken entirely online. All of our courses are taught by expert instructors, many of whom are nationally known authors. They are affordable, fun, fast, convenient and geared just for you. To explore these exciting options, please visit us at www. ed2go.com/chattced or www.gatilineducation.com/ chattced/ or for online courses specific to the Healthcare field, please visit us at http://www.healthedtoday.com/ chattahoocheetech.
