Program Admission

Students may apply to the HCM Degree program while enrolled in the pre-admission courses. Students will complete an application for the desired semester start (fall or spring) and submit it to the **Health Sciences Office on the North Metro Campus** by the listed deadline date. This application is available on the Healthcare Management webpage. Students will be required to have all eight (8) pre-admission courses completed (or in progress the semester they apply) with a grade of C or higher prior to starting the HCM courses.

Once received, course completion will be verified and the student will receive an acceptance letter for the HCM Program. Students will receive an email from the HS Office indicating that their program of study has been changed.

All students accepted into the Healthcare Management program will be **required** to attend an Orientation Session. If you do not attend the Orientation, you will not be permitted to continue in the program.

Occupational Courses:

Students will complete the following courses with a grade of C or higher. Upon completion, students may petition for graduation to receive an Associate of Applied Science Degree in Healthcare Management.

The Health Care Management program is not cohort program, and students may take courses as their schedule permits. Suggested course sequence:
