

## **Service Learning Leads to Career Success**

# **Janet Thornton, AAS Information Security Specialist 2014, CFY Atlanta**

“My volunteer experience with CFY brings me such gratification because I see the delight on the students’ faces when they receive their computers and their enjoyment when the CFY Family Trainer introduces them to PowerMyLearning,” says Janet Thornton.

CFY Atlanta values education. Their program assists students who are enrolled in Title I schools, as well as their families, by providing computer equipment and programs. CFY also values the work that Chattahoochee Technical College Student’s contribute to their efforts in enriching communities in Atlanta, New York, San Francisco, and Los Angeles.
