Policy for Obtaining Course Completion Cards

Only Training Center Coordinators can order blank course completion or certification cards according to American Heart Guidelines.

Attention: Shelby Martin, 5198 Ross Road SE, Acworth, GA 30102

If you require help completing the roster, contact me and I will assist you.

You must include your Instructor ID#, name and your address on each roster. If your address had recently changed, you need to indicate this on the front of the roster with something such as "NEW ADDRESS."

Failure to submit completed paperwork or payment will result in the roster being returned.

To schedule an appointment to pick up your cards, call 770-528-3538 or email Shelby.Martin@chattahoocheetech.edu. Do not assume that I am here. I will respond to you by phone or email if I am here. If you get no response, I am not in or am unavailable (even if my voicemail doesn't say it).

All cards are mailed to the instructor.
