	SEMESTER 6	

GRADUATION!

NOTE: Learning Support Courses
If your placement test scores or transcripts indicate a weakness in Writing, Reading, Numerical Skills, or Algebra, you will enroll in Learning Support (LS) courses. LS courses carry credit but do not apply toward graduation or your grade point average.
Chattahoochee Technical College offers English 0090, Reading 0090, and Math 0090.
All learning support classes must be completed prior to beginning any CUUL Program classes.
Once all of your learning support classes are complete you can move on to Semester One. Not every class is offered every semester.
This eMAP along with meeting regularly with your program advisor and using Degree-Works
will help you stay on track to finish your program as quickly as possible and graduate from CTC.
