

Student Financial Aid

2018-2019 Aggregate Verification – Tracking Group V5

Your 2018-2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. If your FAFSA is incorrect the financial aid office may be required to make corrections to your processed FAFSA. Corrections may alter your financial aid eligibility. You must complete and sign this verification worksheet, attach any required documents, and submit it to the Financial Aid Office nearest you. Additional information may be requested. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed. The verification process may take up to three weeks to process during peak periods. If your file is incomplete, Pell Grant funds will not be available in the bookstore.
