

**Chattahoochee**  
TECHNICAL COLLEGE

# **DOT Hazardous Materials Transportation & Resource Conservation and Recovery Act**

Chattahoochee Technical College offers safety training packages that are intended to provide a variety of training to employees with some level of responsibility for safety in the workplace. The DOT Hazardous Materials Transportation course and Resource Conservation Recovery Act (Hazardous Waste Rules) course are designed for companies who generate hazardous waste. The instructor led courses can be taken independently or as a combination in 6 hour format. Upon successful completion, participants will receive a certificate of completion from Chattahoochee Technical College.
