

At Chattahoochee Technical College, our Horticulture Program's Mission is to:

Equip our students with the knowledge, skills, and abilities required to be successful in a variety of Horticulture industries.

Foster in our students professionalism and entrepreneurship.

Provide multiple opportunities for hands-on learning, teamwork, and student collaboration.

Model ethical behavior and ethical business practices for students.

Support, and draw support from the Horticulture businesses, associations and academic institutions in our service area.

Collaborate and maintain productive relationships with businesses who offer employment opportunities to students.

Remain up- to- date with technical, scientific, academic and market developments in the green industries.
