The Mission:

The mission of the Intensive English Program (IEP) at Chattahoochee Tech is to prepare non-native speakers of English for success in the American college setting.

The program offers a high quality, comprehensive curriculum designed to assist students with language acquisition in preparation for academic study. In addition to language learning, the Intensive English Program seeks to promote cultural adaptation skills to assist students in all facets of life, including success with academic, social, and cultural goals.

The IEP has five proficiency levels in each of the following areas of study:

* Reading
* Writing
* Grammar
* Speaking
* Listening

Please note that all information in this brochure is subject to change without notice.

IEP is offered on Chattahoochee Tech’s Marietta campus, just 20 minutes from Atlanta.

Chattahoochee Technical College’s Intensive English Program (IEP) is a rigorous program with experienced and caring faculty, at a very competitive price. It is designed for both international students and students who already live in the United States.
