

## ATI TEAS Remote Exam Acknowledgments

### Specific Exam Related Acknowledgments:

- I acknowledge that I must successfully complete the ATI TEAS Remote Dry Run to ensure my computer's software and hardware meet all [requirements](#) to successfully administer the test from my remote test location.
- I acknowledge that prior to my testing appointment, I will visit [ATI Testing](#) and create my user ID and password by clicking on "Create Account" on the homepage and answering all questions. If I have taken the test before, I will need to use my same account. It is my responsibility to have my ATI Username and Password on test day in order to access my test.
- I understand that I will be given a test assessment code and detailed instructions regarding the remote test via the email address I provided, no later than the day before the test. It is my responsibility to read, understand, and follow all the [Student Quick Start Guide](#) and [Troubleshooting](#) instructions to ensure my test runs smoothly on test day and that I meet all necessary testing policies/procedures.
- I understand I must use **Google Chrome** web browser during the remote test, as stipulated in the [Student Quick Start Guide](#) sent to my email. I understand I will be ready to start the sign-in process at least 10-15 minutes early in order to be able to begin the actual test on time.
- I acknowledge that I must have a current government-issued ID with my photo and signature to validate my identity during the check-in process ~~also~~.
- I understand no hand-held calculator, sunglasses, or hooded shirts are allowed during the exam. I understand an online calculator will be available to use during the math section. I also understand ONE piece of scratch paper is allowed and must be destroyed after the exam.
- I understand if I experience any technical issues with my computer on test day, I will utilize the Proctorio Quiz Tools box available on the screen to begin a live chat with a Proctorio employee. I also have the option to contact ATI Test Security at: 1-844-956-2790 for technical assistance.
- I understand ATI Test Security does not deem internet issues to be a sufficient reason for an exam retake. It is recommended I wait two weeks between attempts. It is my responsibility to work out any technical issues before testing again.
- I understand it is my responsibility to verify the procedure for submitting my test scores to my college of choice before the application deadline for the program in which I am applying.
- I understand that it is my responsibility to verify and adhere to the testing policy stipulated by the college to which I am applying. This includes the number of testing attempts I am allowed, the minimum number of days required between attempts, and any set timetables regarding test expiration or circumstances that reset testing attempts.
- I understand that scores can only be transferred to another institution by contacting ATI Testing directly and paying an additional fee for an official transcript.
- I acknowledge that all questions concerning my assessment results should be directed to the College's Allied Health Department, since the Testing Center staff can neither evaluate scores nor determine if I will be admitted to my program of choice.
- I acknowledge that my scores will only be available through my ATI account after the testing center closes for that day.
