- Prior to applying for graduation
- After any changes to major

**Q. How do I access DegreeWorks?**

A. DegreeWorks can be accessed by going to your BannerWeb account and will be located under Student Records.

**Q. How current is my information in DegreeWorks?**

A. The information in DegreeWorks is refreshed each night. Any changes made today (e.g., grade changes, program changes or classes added/dropped) will be seen in DegreeWorks the next day.

**Q. Can I register for classes in DegreeWorks?**

A. No. DegreeWorks is a snapshot of courses in-progress, planned, and in your academic history.

**Q. Can I see how many classes I have left to fulfill my program requirements?**

A. Yes. DegreeWorks is laid out in a block format displaying degree and major requirements. Look for unchecked boxes to identify requirements that you still need to complete.

**Q. Is DegreeWorks the same as my transcript?**

A. No, DegreeWorks is an unofficial audit of your coursework, as well as an outline of requirements still needed to complete your program of study.

**Q. Are my grades visible in DegreeWorks?**

A. Yes. Once grades have been processed at the end of the semester, they are viewable in DegreeWorks.

**Q. What should I do if I believe my academic information is incorrect?**

A. You should consult your academic advisor for a review of your audit.

**Q. Why isn't my transfer work meeting a requirement?**

A. There could be two reasons. The course did not meet either the minimum number of credits and/or minimum grade requirement for use in your program of study, or all the requirements have been met and this course is simply not needed.

**Q. What is the 'What If' feature?**

A. The 'What If' function allows you to hypothetically change your major. The 'What If' audit will show you what coursework is required for the new major, what courses you have taken that satisfy requirements, and what courses are still left for you to take.

**Q. I've seen the @ symbol in several places on my worksheet. What does this mean?**

A. This is a wild card in DegreeWorks. If it appears after a subject prefix (i.e., HIST @), it means that you can take any History course.

**Q. If all of the boxes are checked, does this mean I am graduating?**

A. Not necessarily. If you have applied to graduate, the graduation specialist will perform a final audit after all final grades have been submitted to determine if you are eligible to graduate. Missing requirements will be communicated to you.

**Q. Who should I contact if I still have questions?**

A. Your academic advisor is your primary contact for questions concerning your program of study, course selections, change of major, academic achievement, and degree requirements.
