

## OSHA 30-Hour for General Industry

Chattahoochee Technical College offers customized safety training packages that are intended to provide a variety of training to employees with some level of responsibility for safety in the workplace. We can design a customized curriculum that is OSHA compliant based upon your company's needs. Our instructor-led classes emphasize hazard identification, hazard avoidance, control and prevention above and beyond OSHA standards. This 30-hour course is designed for supervisors and/or persons who have managerial responsibility for facility safety.

**Course Fee: \$329**
