A Unit of the Technical College System of Georgia
Equal Opportunity Institution

?	• Are You College MATH Ready?
No?	• No? First, Register for MATH Support 0090, then next semester MATH 1012
Yes?	• Yes? Register for MATH 1012

DIPLOMA CAREER PATH

DIPLOMA GRADUATION!

NOTE: Learning Support Courses

If your placement test scores or transcripts indicate a weakness in Writing, Reading, Numerical Skills, or Algebra, you will enroll in Learning Support (LS) courses. LS courses carry credit but do not apply toward graduation or your grade point average.

Chattahoochee Technical College offers English 0090, Reading 0090, and Math 0090.

All learning support classes must be completed prior to beginning any CUUL Program classes.

Once all of your learning support classes are complete you can move on to Semester One. Not every class is offered every semester.

This eMAP along with meeting regularly with your program advisor and using Degree-Works will help you stay on track to finish your program as quickly as possible and graduate from CTC.
