Malpractice insurance for students in select programs: $3.18 - $13.26 per semester. Other program-specific or major-specific fees may apply. Tuition and fees are subject to change. Visit ChattahoocheeTech.edu for the most up-to-date information on any tuition or fee increases.
Financial Aid

In addition to tuition and fees that are a fraction of the cost of our neighboring institutions, CTC students received more than $20.8 million in financial aid during fiscal year 2018. More than 60 percent of CTC students received some type of financial assistance.

Most CTC students qualify for some type of financial aid. To begin the process, complete the free application online at www.fafsa.ed.gov, and use our school code of 005620.

For additional financial aid assistance, email: FinancialAid@ChattahoocheeTech.edu

Scholarships

Generous support from our donors allows the Chattahoochee Tech Foundation to offer student scholarships each year to assist with tuition and fees.

Students can apply for scholarships beginning in January. Scholarship recipients are selected after committee review and awards are distributed for use the following semester.

For more information, visit the Foundation page at ChattahoocheeTech.edu.
Learning... outside of the classroom

Being a student is about more than being in the classroom. There are plenty of ways to get involved at CTC. The Office of Student Involvement (OSI) hosts a variety of events that focus on entertainment, social opportunities, cultural heritage, education, and leadership development for students. In addition, the OSI coordinates the activities of the Student Government Association (SGA) and all other organizations on campus. Students attend leadership conferences and regional/national conventions in their respective fields.

For more information about CTC’s student programs, visit the Office of Student Involvement page at ChattahoocheeTech.edu or email us at: GetInvolved@ChattahoocheeTech.edu.
STUDENT SERVICES

Student services provided at CTC include:
