

Forklift Training Program

Our two-day Forklift Certification Program provides students training on the following lifts: sit-down counter balance, electric pallet jack, and a stand-up reach lift. The course includes classroom training, demonstrations, and practical training by our certified instructor. At the conclusion of the course, successful students will have completed a written test and demonstrated proficient driving skills which would be expected in an industrial/manufacturing/warehouse setting. Upon successful completion, participants will receive a forklift certification card for each lift from Chattahoochee Technical College.

Topics Include:

- **Forklift Safety**
- **Awareness of pedestrians and surrounding area**
- **Understanding the forklift and its operation**
- **Proper loading and unloading/lift selection**
- **Vehicle Inspections**
- **Preventative maintenance awareness**
- **Backing/Maneuvering forklift in confined spaces**
- **Battery Care and Recharging**

Course Fee: \$249.00

**Sessions: May 2-3, 2019 North Metro Campus,
9:00am - 4:30pm**
