

Chattahoochee Technical College: Tuition and Fees 2019-2020
Fall Semester 2019, Spring Semester 2020, Summer Semester 2020

The tuition a student is assessed each semester varies according to (1) the number of credit hours for which he or she is registered, (2) the student's residency determination based on the application for admission, (3) and the student's program of study (major). Tuition is based on the number of credit hours registered. Students are charged up to 15 credits per semester but may register up to the college's maximum number of credits per term.

Full time enrollment for federal student aid (Pell Grant, etc.) and insurance verification purposes is 12 or more credit hours.

Tuition is assessed at one of three levels per semester:

1. Standard tuition cost is \$89 per credit hour for in-state, Georgia residents. Maximum per term: \$1,335.00. **(Please note: we expect a tuition increase for the 2019/2020 academic year. We will update this page once information is available).**
2. Out-of-state students pay tuition twice the amount charged for Georgia residents.
3. International students pay tuition four times the amount charged for Georgia residents.
