## Clinical Laboratory Technology Fall Semester 2020

Program Location:  
Marietta Campus

### CLT Program Admission:

Students seeking admission to the Clinical Laboratory Technology (CLT) Program must be fully admitted to the college for Spring Semester 2020. To take pre-admission courses, students should enroll in the college's *Healthcare Science Certificate or Interdisciplinary Studies-Health Track*.

The CLT program has a competitive admission process. The selection criteria consist of Admission Points with a total value of **320 points**. See the CLT Admission Points Criteria sheet for additional information.

All students must have a CTC GPA of **2.5** or higher to be considered for program admission. If a student has all transfer credit, and does not have a CTC GPA, this requirement does not apply.

### Transfer Students / Transfer Credit:

If you are a transfer student, you must be fully admitted to Chattahoochee Technical College by Spring Semester 2020. The College's document deadline for Spring Semester 2020 is **Friday, November 15, 2019**.

If you are transferring college credit into Chattahoochee Technical College, official transcripts must be received by the college's document deadline, **Friday, November 15, 2019**.

### Required Pre-Admission Course Work:

Complete the following pre-admission courses by **Monday, May 11, 2020**.

Course	Course Name	Credit	Grade

### Course Attempts and Point Calculations:

Students are allowed two attempts in the Anatomy and Physiology I and Anatomy and Physiology II lecture and lab courses that will be awarded as admission points.

Should a student attempt these classes more than twice, only the first two attempts will be considered when calculating admission points.

### ATI TEAS:

Take the ATI TEAS by **Tuesday, June 30, 2020** and achieve a minimum total adjusted score of **65.00**. A student may take the ATI TEAS (Version 6) two (2) times in a calendar year and must wait a minimum of 30 calendar days in between attempts. The ATI TEAS score is valid for five years.

The ATI TEAS is a standardized test that measures the student's ability in math, reading, grammar and science. A study guide and practice test can be purchased at [ATI Testing](#). The ATI TEAS is available through the Chattahoochee Technical College's Corporate and Professional Education Department.

### Application Session:

All students must attend an Application Session and complete a program application during Spring or Summer Semester 2020. Applications are only distributed during the application sessions. The schedule for the application sessions will be posted on the CLT webpage on the college's website. Late arrivals will not be permitted to enter the session.

**Final Class Selection:**

Final class selection is based upon the total number of Admission Points. The students with the highest point value will be accepted into the program.

**Orientation:**

If accepted into the program, all students must attend an orientation in August 2020.

**Academic Advisement:**

Students should email a Health Sciences Advisor with questions about admission criteria or to schedule an advisement appointment:
