

Chatt Tech

Summer Semester 2020

June 1 - July 31, 2020

At Chattahoochee Technical College, the safety and health of our students and staff are a top priority. The College has transitioned the majority of summer semester courses to an online format as indicated on the class schedule.

Online Programs and Courses

- All Core courses including lab sciences
- Accounting
- Business Management
- Business Technology
- Logistics
- Marketing Management
- Early Childhood
- Drafting
- Interiors
- Criminal Justice
- Computer Information Systems

Courses Requiring On-Campus Presence

Students enrolled in these courses will report to campus the week of June 8th while completing online assignments the week of June 1 via the Blackboard learning management system. The completion of the on-line assignments will be imperative and will include the required no-show assignments for summer courses.

The Technical College System of Georgia is approving in-person lab requests on a case-by-case basis following an extensive review for programs that meet the essential workforce demands during the Coronavirus pandemic, in accordance with Governor Kemp's Executive Orders 03.26.20.02 and 04.02.20.01. All approved labs meet the health and safety guidelines outlined in the President's Coronavirus Guidelines for America. This includes use of PPE equipment, social distancing of six feet or more, frequent disinfecting of lab areas and surfaces, and a limited number of participants in a room at one time.

Application Deadline

Friday, May 22 @ 4:30pm

Major Change Submission Deadline

Wednesday, May 27 @ 5 PM

Registration

April 29 - May 20, 2020
