

Fall Applicant Information

July 13, 2020

Chattahoochee Technical College is accepting applications for admission for Fall Semester 2020, which begins August 17, 2020, and ends December 12, 2020. Currently, the College is planning to offer a full complement of on-campus and online courses for Fall Semester. Of course, that is subject to change; pertinent updates will be announced on the website and other mediums as appropriate. The priority deadline for fall applications and required documents is Friday, July 10. The final deadline for fall applications and required documents is Friday, July 24.

Face coverings are required of all faculty, staff, students and visitors while on campus when not socially isolated from others.

For questions related to or assistance with applying for Fall Semester, please contact the [Office of Admissions](#) by calling 770-528-4545 and selecting the appropriate menu options for admissions. (Press option 2, then press option 2.) Our staff are currently teleworking but we are able to fully assist you at this time.

New student orientation (NSO) has been moved to an online format for fall. Once a student is accepted to the College, the student will receive an acceptance letter with next steps, including completing NSO. New students will use the Blackboard learning management system to complete NSO. Once completed, the student will receive information about contacting an academic advisor for advisement. Upon advisement, the student will be eligible to register for classes.
