Are Fall Quarter Classes going to held?

Yes! Fall Quarter Classes will begin as scheduled with some changes. Fall Quarter begins the week of October 7th. We will be conducting these classes with the three options listed below. The first option is for the current student to attend one in-person class for four hours and attend the remaining hours using our online curriculum.

The second option is for the current student to attend a synchronous live WebEx class on Tuesday and Thursday afternoons from 1:00PM-2:30PM and study the remaining hours using our online curriculum.

The third option is for qualified ABE students (Levels 3-6) to study all online using our asynchronous online curriculum.
