Should a student attempt these classes more than twice, only the first two attempts will be considered when calculating admission points.

Application Session:

All students must attend a Virtual Application Session and complete a Program Application. Program applications are only given out at the Application Sessions. A schedule of the Dental Assisting sessions will be available at the beginning of Spring Semester 2021 and posted on the Dental Assisting webpage. Late arrivals will not be permitted to enter the session. For more information on the Virtual Application Process, select the Health Sciences Virtual Application Sessions Q & A found the Dental Assisting webpage.

Final Class Selection:

Final class selection is based upon the total number of admission points. The students with the highest point value will be accepted into the program.

Academic Advisement:

Students should email a Health Sciences Advisor with questions about admission criteria or to schedule an advisement appointment:
