HOPE/Zell Miller Grant and Career Grant funding not available for degree level programs or coursework (including associate degrees)

High School Students Who Have Reached the Dual Enrollment Funding Cap

1. HOPE & Zell Miller Grant Eligibility Requirements

High school students utilizing the HOPE Grant Bridge Eligibility option must:

- Be a United States Citizen, born or naturalized, or an Eligible Non-Citizen.
- Meet the Georgia Residency requirements of Technical College System of Georgia (TCSG) for 12 consecutive months prior to term for which the HOPE Grant is sought.
- Be enrolled in a technical Certificate or Diploma program.
- Students pursuing a technical diploma or certificate program of study in one of the 17 high-demand industry areas may also be eligible for HOPE Career Grant.
- Coursework must be required for the specific HOPE Career Grant program of enrollment.
- Males 18 and older must be registered with selective service.

Option A - All High School/Home Study Students

- Georgia high school students that enroll in a certificate or diploma program on the HOPE Career Grant Eligible Program list may be eligible to receive HOPE Grant/Zell Miller Grant and HOPE Career Grant.
- Based on program of study and academic performance at a TCSG institution (funding not available for degree level coursework).

Option B - High School Students

- Public high school students designated by their high school on the Dual Enrollment application as pursuing high school graduation through Option B may enroll or continue enrollment in a technical certificate or diploma program of their pathway up to high school graduation at a TCSG institution (funding not available for degree level coursework).
- Based on students' program of study and academic performance they may be eligible to receive HOPE or Zell Miller Grant with the HOPE Career Grant. The college's financial aid office determines eligibility.

2. Applications

- Dual Enrollment funding Application – If enrolling in courses listed on the Approved Course Directory and meet grade level qualification for the course and Chattahoochee Technical College
- GSFAPPS – Submit to apply for the HOPE Grant/HOPE Career Grant Program for courses not on the Dual Enrollment Course Directory

3. Award and Costs

- Partial (HOPE Grant) or full (Zell Miller Grant) tuition covered up to 15 credit hours per term.
- Student responsible for charges not covered by HOPE/Zell Miller Grant such as fees and books and tuition cost exceeding 15 credit hours of enrollment.
- HOPE Career Grant is a fixed amount awarded based on program of study and number of hours enrolled per term (must receive HOPE or Zell Grant to receive Career Grant).

4. Eligibility Limits

- Credit hours paid w/HOPE Grant funds are included in the 63 Paid Hours limit for HOPE/Zell Miller Grant funding.
- Funding eligibility ends once a student has received HOPE or Zell Miller Grant payment for 63 semester hours.

5. How to Maintain HOPE Grant or Zell Miller Grant

- **HOPE Grant GPA** - Minimum 2.00 cumulative postsecondary HOPE calculated GPA required at the end of the term in which 30 & 60 hours of HOPE Grant payment is received.
- **Zell Miller Grant GPA** - Minimum 3.50 cumulative postsecondary HOPE GPA required at the end of each term Zell Miller Grant payment is received.
- Must maintain Satisfactory Academic Progress (SAP) as determined by Chattahoochee Technical College.
