

Spring Student Information

January 5, 2021

New applicants to CTC should visit the [Office of Admissions](#) web page for assistance in beginning the application process. Priority application deadline for Summer Semester is May 14th. Classes start June 5th. Fall Semester priority deadline is July 24th with classes starting on August 16th.

Chattahoochee Technical College strives to provide a safe and healthy educational environment for our students, faculty and staff. For that reason, spring semester course offerings will continue to take place primarily online. As we did in the fall semester, we have added specific measures on our campuses to meet approved guidelines and to encourage a safe environment for those on campus.

- Masks are required in all campus buildings unless an individual is alone in a room/office.
- Individuals are encouraged to socially distance when on campus.
- Many of our campus services are now being offered online.
- Students are asked to do their part in keeping our campuses safe.
- Students may be assigned seats in classrooms to assist with contact tracing.
- CTC has a COVID Response Team made up of primarily health science faculty, who evaluate situations as they arise on campus.
- Students, faculty and staff who are affected by the Coronavirus (COVID-19) are asked to complete the [COVID-19 Self Reporting Form](#). The submission of this information allows the College to take appropriate preventative measures and offer available resources.
- Students, faculty and staff who are affected by the virus may be required to quarantine.
