DegreeWorks Wildcard (@) – This “@” symbol in DegreeWorks is a wildcard. This means that it represents all classes when used as a prefix, and can also be used to represent all course numbers. When a course prefix is followed by the @ symbol (IDSY @) this means any course number for that prefix can be used to fulfill the requirement.

Field Occupation Specialization	Still Needed: 16 Credits in CIST 1130 or 1305 or 1001 or 1122* or 1401* or 2411* or 2412* or ELCR @ or IDSY @ or ELTR @

In this example the requirements could be fulfilled by any IDSY or ELTR course.

Blocks

Each section in a DegreeWorks audit is called a “Block”. Each block header will contain a title for the block and will also display specific course information for that block such as credits applied and classes applied for that block. Like individual requirements, the block header will also contain a symbol stating the status of all requirements within this block.

Degree Requirements – This is the main block that houses all of the global rules that apply to all other blocks within the audit. This block will never have the “Complete” symbol until all other blocks have been completed. Within this block you will also find “Unmet Conditions” which are requirements that must be met in order to graduate.

Performing a What If Scenario

If you are thinking of changing your major, DegreeWorks has provided the What If tool to enable you to apply your course history to a sample audit with any of these changes. This tool will also allow you to enter future courses to see how they will apply using the Look Ahead feature.

1. To access the What If option, click on the **“What If”** link on the left-side of the audit screen under the **“Worksheets”** tab.

The screenshot shows the Chattahoochee DegreeWorks interface. The left sidebar has a 'What If' link highlighted with a red arrow. The main content area displays student information for 'Sample, Ima' (ID: AB125031) as of 10/06/2012 at 14:06. The student's current major is 'Healthcare Assistant Cert' (HA21). The 'What If' section shows the student's earned hours (102.95) and cumulative GPA (3.510). The 'Look Ahead' section shows the student's academic standing (GOOD STANDING) and holds (LIBRARY FINE HOLD, REGISTRAR HOLD).

2. Once at the What if screen, you will be able to use the drop-down boxes to select the desired Academic Term and Major.

The screenshot shows the 'What If' screen in the Chattahoochee DegreeWorks interface. The 'What If' link is selected in the left sidebar. The main content area displays the 'Choose Your Different Areas of Study' section. The 'Academic Term' is set to 'Fall 2012'. The 'Major' is set to 'Pick a Major' and the 'Concentration' is set to 'Pick a Concentration'. The 'Chosen Areas of study' section is empty. The 'Choose Your Future Classes' section is also empty.

DEGREEWORKS TRAINING – STUDENT OVERVIEW

- Your selection for each area will be added to the list box on the right hand side. If you would like to remove any of your choices, select it from the list and click the **“Remove”** button located below the list box. After selecting the desired criteria, press the **“Process What-If”** button. DegreeWorks will then take your entire course history and apply it to an audit with the newly selected changes. **Note if you would like to print your What If scenario, please jump to the next page before your click “Process What-If”**

- Once the new audit has been generated, you will notice that all of your selections will appear as if it were a real audit. Any future courses that were added will display with blue text and will have a grade of **“PL”** and a term of **“Planned Term”**.

Accounting Electives-1 Class Needed (ACCT 2120) Business Tax Accounting PL (3) PLANNED

Printing a What If Audit:

- Once all of your selections have been made on the What If parameter screen, you have the option to **“Save as PDF”**. Clicking this button at the top of the screen will run the What If scenario and insert it into a PDF document that you can either save or print out.

The screenshot shows the 'What If' parameter screen in DegreeWorks. At the top, there is a navigation bar with buttons: Back to Self Service, Portal, Degree, Major, FAQ, Help, Print, Exception Management, and Log Out. Below this, there are tabs: Worksheets, Planner, Notes, Petitions, Exceptions, GPA Calc, and Admin. The 'Save as PDF' button is highlighted with a red box and a red arrow. The main content area includes sections for 'Choose Your Different Areas of Study' and 'Choose Your Future Classes'.

The screenshot shows the 'What If' audit results screen. A pop-up window displays the audit results for a student. The window title is 'https://ctcban4.chattahoocheetech.edu/IRISLink.cgi - Windows Internet Explorer pro...'. The page is titled 'Student View' and shows the student's name, ID, degree, major, and program. It includes a 'Degree Progress' bar and a 'Legend' section. The audit results are organized into sections: 'Diploma Requirements', 'General Education Core Options', and 'Diploma in Accounting'.

Using Calculators

Graduation Calculator - allows you to calculate a selected graduation GPA. Click on the **“GPA Calc”** tab at the top of the worksheet. Select **“Graduation calculator”** on the left side. Enter the credits remaining in the program, the total required credits for program and the desired GPA. Click the **“Calculate”** button. The system will then tell you what grades you need to make to reach your desired graduation GPA.
