Carpentry Technology Diploma eMap

Each student's educational goals are different. This eMap along with meeting regularly with your program advisor and DegreeWorks will help you stay on track to finish your program as quickly as possible and graduate from Chatt Tech. This is only a guide to direct you in the best sequence to complete your program and stay on track.

Use your DegreeWorks audit and this planning sheet to develop a proposed plan for your courses. Save your DegreeWorks audit and this form.

Start Here: Program of Study: Diploma
