

Statement of Support for Legal Dependents

You reported on your most recent Free Application for Federal Student Aid (F A F S A) and/or verification worksheet that you have a legal dependent other than a child. Please submit documentation that this individual is legally in your care. If you do not have legal documentation, you must demonstrate that you provide more than 50% financial support to this individual. Complete this form and attach appropriate documentation.

Also, in order for a student under the age of 24 with a dependent to be considered independent for FAFSA purposes, the student must be able to support themselves and provide more than 50% of their dependent's support through work and/or state assistance. You must submit the following documentation to show that you have sufficient income to support yourself and your dependents.
