Effective December 1, 2012, Bright from the Start required a Child Development Associate (CDA) certification, or an equivalent credential, in order to work in a licensed early learning program, family child care learning home, or as a teacher assistant in a Pre-K program in Georgia. Chattahoochee Technical College's Technical Certificate of Credit program, **Early Childhood Care and Education Basics**, will satisfy the BFTS credential requirement. Visit www.decal.ga.gov for more information regarding this requirement.
