## Surgical Technology Degree

Fall Semester 2022

Program Location:  
North Metro Campus

### ST Program Admission:

Students seeking admission to the Surgical Technology (ST) Program must be fully admitted to the college for Spring Semester 2022. To take pre-admission courses, students should enroll in the college's *Healthcare Science Certificate or Interdisciplinary Studies-Health Track*.

The ST program has a competitive admission process. The selection criteria consist of Admission Points with a total value of **260 points**. See the ST Admission Points Criteria sheet for additional information.

All students must have a CTC GPA of **2.0** or higher to be considered for program admission. If a student has all transfer credit, and does not have a CTC GPA, this requirement does not apply.

### Transfer Students / Transfer Credit:

If you are a transfer student, you must be fully admitted to Chattahoochee Technical College by Spring Semester 2022. The College's document deadline for Spring Semester 2022 is **Friday, November 19, 2021**.

If you are transferring college credit into Chattahoochee Technical College, official transcripts must be received by the college's document deadline, **Friday, November 19, 2021**.

### Course Attempts and Point Calculations:

Students are allowed two attempts in the Anatomy and Physiology I and Anatomy and Physiology II courses that will be awarded as admission points. Should a student attempt these classes more than twice, only the first two attempts will be considered when calculating admission points.

### ATI TEAS:

Take the ATI TEAS by **Friday, April 29, 2022** and achieve a minimum total adjusted score of **70.00**. A student may take the ATI TEAS (Version 6) two (2) times in a calendar year and must wait a minimum of 30 calendar days in between attempts. The ATI TEAS score is valid for five years.

The ATI TEAS is a standardized test that measures the student’s ability in math, reading, grammar and science. A study guide and practice test can be purchased at [ATI Testing](#). The ATI TEAS is available through the Chattahoochee Technical College’s Corporate and Professional Education Department.

### Application Session:

Applicants must attend a Virtual Application session during Spring 2022 Semester. Applications are only distributed and accepted during the application session. A schedule of Surgical Technology Application Sessions will be available on the Surgical Technology (ST) web page. Late arrivals will not be permitted to enter the session. For more information on the Virtual Application Process, select the Health Sciences Virtual Application Sessions Q & A found the ST webpage.

### Final Class Selection:

Final class selection is based upon the total number of Admission Points. The students with the highest point value will be accepted into the program.

**Academic Advisement:**

Students should email a Health Sciences Advisor with questions about admission criteria or to schedule an advisement appointment:
