

### **Coronavirus Response and Relief Supplemental Appropriation Act (CRRSAA) – Spring 2022**

Chattahoochee Tech is reopening, for a fourth time, the application for CARES funding for spring 2022. Students who apply for CARES assistance, report that they have been financially impacted by the pandemic and are approved will be awarded a reimbursement for all out of pocket expenses previously paid to the College for tuition and fees.

- The [application](#) will be reopened Monday, February 28 – Friday, March 4.
- Students must indicate on the application that they have been financially impacted by the pandemic.
- **Eligible students will receive reimbursement for all tuition and fees paid out of pocket for spring semester. Students whose financial aid package covered full tuition and fees, will receive an award of \$500. Students who paid less than \$500 out of pocket will receive the difference.**
- All students are eligible and we strongly encourage you to apply.\*

\*Students who have already been awarded assistance for spring 2022, should not re-apply.
