Your Path **Starts Here.**

It's easy to get started!

Career Counselors are available to help assess student areas of interest, skill sets, and the programs of study that are a unique fit for each student. Most students qualify for financial aid.

Visit the Career Development page at ChattahoocheeTech.edu for more information.

Many of Chattahoochee Tech's core classes transfer to other colleges and universities. Approximately a quarter of Chattahoochee Tech's students enroll in the Technical Specialist Certificate and Interdisciplinary Studies Degree programs with plans of transferring.

NOTE:
Individual programs within each program area may not be offered on all of the campuses indicated on this listing. Many other technical certificates of credit are also available. Visit ChattahoocheeTech.edu for a current listing.

About Chattahoochee Tech

Chattahoochee Technical College is the largest technical college in Georgia with an enrollment that typically exceeds 14,000 students each academic year. The college provides a high-quality, easily-accessible education at a fraction of the cost of other area colleges and universities, with eight campus locations serving the counties of Bartow, Cherokee, Cobb, Gilmer, Paulding, and Pickens.

Chattahoochee Tech awards certificates, diplomas, and associate degrees in more than 50 programs of study for students to become highly skilled professionals in some of the nation's fastest-growing, high-demand career fields. The college also offers customized workforce training, continuing education classes, and adult education programs that include free High School Equivalency diploma preparation classes.

For more information, visit ChattahoocheeTech.edu.

Where you thrive.
