

## 2022-2023 Unusual Enrollment History Form

The U.S. Department of Education has selected your file for review due to your unusual enrollment history. An unusual enrollment history is defined by having attended and received federal Pell Grant and/or Direct Stafford Loan funds from multiple colleges/universities during the review period of: 2018-2019, 2019-20, 2020-21, and 2021-22. Before processing your federal aid file, Chattahoochee Technical College is required to review your enrollment history and determine whether or not you are enrolling only long enough to receive cash refunds of federal student aid. In the process of reviewing your enrollment history, the Financial Aid Office will review the colleges listed on your Admissions application and check the National Student Loan Data System (N S L D S) for a complete history of the federal Pell Grants and/or Direct Stafford Loans you may have received.
