

ChattTech

A Unit of the Technical College System of Georgia - Equal Opportunity Institution

Phlebotomy Technician Spring Semester 2023

Program Location:
Marietta Campus

Phlebotomy Technician Program Admission:

Students seeking admission to the Phlebotomy Technician Program must be fully admitted to the college for Fall Semester 2022.

Transfer Students / Transfer Credit:

If you are a transfer student, you must be fully admitted to Chattahoochee Technical College by Fall Semester 2022. The College's document deadline for Spring Semester 2023 is **Friday, November 18, 2022**.

If you are transferring college credit into Chattahoochee Technical College, official transcripts must be received by the college's document deadline **Friday, November 18, 2022**.

Required Pre-Admission Course Work:

Complete the following pre-admission courses by, **Tuesday, December 13, 2022**, with a grade of a "C" or higher:

Course	Course Name	Credit	Grade
ALHS 1011	Structure and Function of the Human Body	5	
ALHS 1040	Introduction to Health Care	3	
ALHS 1090	Medical Terminology for Allied Health Sciences	2	

Additional Required Courses:

The following co-requisite courses must be completed or transferred into CTC's Banner system by, **Tuesday, May 9, 2023** with a grade of a "C" or higher:

Course	Course Name	Credit	Grade
ENGL 1010 Or ENGL 1101	Fundamentals of English I or Composition and Rhetoric	3	
COMP 1000	Introduction to Computer Literacy	3	

Application Session:

All students must attend a Virtual Application Session and complete a program application during Summer or Fall Semester 2022. Applications are only distributed during the application sessions. The schedule for the application sessions will be posted on the Phlebotomy Technician webpage on the college's website at the beginning of Summer Semester 2022. Late arrivals will not be permitted to enter the session. For more information on the Virtual Application Process, select the Health Sciences VirtualApplication Sessions Q & A found the Phlebotomy webpage.

Class Registration:

The first 12 students who have attended an application session, completed all pre-admission course work and completed (or registered for) the additional courses AND registered for both occupational courses listed below will be accepted into the Spring 2023 Phlebotomy Technician program co-hort.

Course	Course Name	Credit	Grade
PHLT 1030	Introduction to Venipuncture	3	
PHLT 1050	Clinical Practice	5	

PHLT 1030 will be offered in Term B (1st 8-weeks of the semester). Students must pass the PHLT1030 course to move on to the PHLT 1050 Clinical Practicum course.

PHLT 1050 Clinical Practicum course will be a 4-week rotation at a clinical facility. The rotation schedule is 5 days/week, 8 hours a day during Term C (2nd 8-weeks of the semester).

Orientation:

The 12 students who have registered for both PHLT 1030 and PHLT1050 will be required to attend a Phlebotomy Program Orientation in January 2023.

Academic Advisement:

Students should email a Health Sciences Advisor with questions about admission criteria or to schedule an advisement appointment. For a list of Health Sciences Advisor visit the [Office of Advisement](#) webpage.
