### Immunizations:

Chattahoochee Technical College does not require vaccinations as criteria for admission and enrollment of students; however, immunizations are required for college health programs by our clinical partners. Students may not complete clinical rotations without meeting clinical site immunization requirements. All required vaccinations must be complete prior to starting clinical practice. Students completing internships or practicums in other majors must adhere to all job site vaccination guidelines. Clinical and job site requirements can and do change without notice or input from the College.

### Application/Information Session:

All students must attend an Application/Information Session and complete a program application during Spring Semester 2024. Applications are only distributed during the application/information sessions. The schedule for the sessions will be posted on the MLT webpage on the college’s website at the beginning of Spring Semester 2024. Late arrivals will not be permitted to enter the session.

**Final Class Selection:**

Final class selection is based upon the total number of Admission Points. The students with the highest point value will be accepted into the program.

**Orientation:**

If accepted into the program, all students must attend an orientation in August 2024.

**Academic Advisement:**

Students should email a Health Sciences Advisor with questions about admission criteria or to schedule an advisement appointment. For a list of Health Sciences Advisor visit the [Office of Advisement](#) webpage.
