Immunizations:

Chattahoochee Technical College does not require vaccinations as criteria for admission and enrollment of students; however, immunizations are required for college health programs by our clinical partners. Students may not complete clinical rotations without meeting clinical site immunization requirements. All required vaccinations must be complete prior to starting clinical practice. Students completing internships or practicums in other majors must adhere to all job site vaccination guidelines. Clinical and job site requirements can and do change without notice or input from the College.

Information/Application Session:

All students must attend a Virtual Information/Application Session to receive approval to register for the EM courses. A schedule of EMSP information sessions will be posted on the EMSP webpage during the Spring 2024 Semester. For more information on the Virtual Application Process, select the Health Sciences Virtual Application Sessions Q & A found the EMSP webpage.

Academic Advisement:

Students should email an advisor with questions about admission criteria or to schedule an advisement appointment. For a list of Advisors, visit the [Office of Advisement](#) webpage.

Final Class Selection:

Final class selection is on a first come first serve basis. There are 30 seats available for this program.
