

Approved Caterers*

***Disclaimer:** Chattahoochee Technical College requires all caterers/restaurants catering events at rental facilities be added to the Approved Caterers List. This is done by submitting the following information: a **business license**, other licenses (pouring), **DHR Food Service Permit**, **DHR Food Service Establishment Health Inspection Report**, and **proof of insurance coverage for off-site catering**. This list is not to be considered a recommendation of a particular caterer, but as an aid to our clients in selecting a caterer that has shown to have the above credentials.
