

## Chattahoochee Technical College

### Interiors Student Supply List

#### Technology

##### *Personal Computer*

- Windows Operating Systems and Laptops are preferred
- External Mouse is needed for drawing programs
- Speakers, mic, and webcam for audio and video participation
- Flash drive/Thumb drive recommended for file storage convenience
- Notes:
  - Computer labs open to Interiors students at the Woodstock Campus
  - Macs are not standard; some software (Revit) will *not* run on a mac
  - (See computer System Requirements posted from [AutoDesk](#) to review)

#### Software

*Most software programs used are available for free to students, with the exception of SketchUp.*

- [SketchUp](#) Student Studio Version, currently available at \$55 per year
- [Microsoft Office](#) (via CTC student link)
- [AutoCAD](#) and [Revit](#) (download free from AutoDesk after enrollment in class)
- Adobe Photoshop (free on-campus) availability to CTC students enrolled in applicable classes)
- Miscellaneous use of 2020 Design, Chief Architect, Homestyler, etc. per class.

#### Drawing Tools

*Minimum purchase requirement listed. Other tools recommended per class syllabus or provided in required on campus labs.*

- Architectural Scale
- Furniture Template, ¼" Scale
- Graph paper

#### Text Books

*Textbooks are available to order through the Marietta Campus Bookstore.*

These classes have textbooks that will need to be purchased:

- INDS 1120 (The Codes Guidebook for Interiors by Harmon and Kennon)

All other INDS courses use either eBooks available free to students from the college library or Open Educational Resources linked from the class content. See course syllabus for each class.

Please see each class syllabus for required or recommended supplies, materials, and texts. The Interiors Lab is located at the Woodstock Campus for additional access.
