CRIME STATISTICS TABLE

The following tables list the Clery Act crime statistics for the three most recent completed calendar years that occurred on Chattahoochee Technical College campuses and were compiled by the Department of Public Safety. Also included are statistics reported by other law enforcement agencies for all non-campus buildings and property and public property adjacent to the campus. The statistics are gathered from January 1 to December 31, each year. The College submits crime statistics annually to the U.S. Department of Education as required by the Clery Act.
