Immunizations:

Chattahoochee Technical College does not require vaccinations as criteria for admission and enrollment of students; however, immunizations are required for college health programs by our clinical partners. Students may not complete clinical rotations without meeting clinical site immunization requirements. All required vaccinations must be complete prior to starting clinical practice. Students completing internships or practicums in other majors must adhere to all job site vaccination guidelines. Clinical and job site requirements can and do change without notice or input from the College.

Academic Advisement:

Students should email an Academic Advisor with questions about admission criteria or to schedule an advisement appointment. For a list of Health Sciences Advisor visit the [Office of Advisement](#) webpage.
