PROGRAM: NAA1

Nurse Aide Accelerated Certificate (NAA1) Technical Certificate of Credit

Campus Locations: Marietta Campus (Marietta, GA) & Appalachian Campus (Jasper, GA)

Semester Entries:

Every Semester

Program Purpose: The Nursing Assistant program is designed to prepare students to test for the Nurse Aide Accelerated certification. The program prepares graduates to give competent nursing assistant care. This is accomplished through the Nurse Aide Accelerated course including clinical days. This provides the student the knowledge and skills to assist the student to give competent care. Program graduates receive a nurse aide accelerated certificate and have the qualifications of an entry-level nursing assistant. Students are required to complete a satisfactory criminal background check as well as a drug screen to be placed in a clinical health care facility to complete the clinical rotations of their educational training.

Program Length and Completion: The NA program is designed for on-time program completion in one (1) to two(2) semesters. ALHS 1090 course must be completed with a grade "C" or higher or have a transfer credit prior to registering for NAST 2100. If taking both ALHS 1090 and NAST 2100 at the same time, you must register for ALHS 1090 before NAST 2100.

Admission Requirements: Students seeking admission to the Nursing Assistant Certificate must be fully admitted to the college and enrolled in the College's Nurse Aide Accelerated (NAA1) program.

Required Identifications: Candidates are required to bring two (2) forms of official signature-bearing identification to the test site, one of which must be a photo identification, and **one of which must be a U.S. Government-issued Social Security Card** (no letters from the Social Security Office will be accepted). Nurse Aide Accelerated applicants who are in the armed services may use their current U.S. Military I.D. in place of a Social Security (SS) card. The test taker's SS number must be on the I.D. if used. Sponsor or Dependent Military I.D.s are NOT accepted in place of SS Card, but can be used as a second I.D. (one with photo) when presented with a valid SS card. All identification must be current (not expired) and no birth certificates will be accepted. If a candidate fails to present proper identification, he or she may not test. Photocopies of identification will NOT be accepted. Examples of proper photo identification include:

- U.S. Government Issued driver's license
- State-issued identification card
- Passport
- Alien registration card
- Georgia- Issued Voter ID Card
- Georgia Temporary Driver's License
- Signed Photo High School I.D. (for high school students) Signed Photo University I.D. (for university students)
- U.S. issued Photo Bearing Signed Military I.D.
- Certificate of Naturalization

The name on your identification must be the same as the name you used on the application to register for the examination. If you do not have proper identification, you will not be allowed to take the test and your examination fee will not be refunded.

Background Checks & Drug Screen: Students are required to successfully complete a background and drug screen.

Immunizations: The program does not require vaccination for program admission; however, each clinical/practicum site reserves the right to deny a student entry based on their own policies and procedures. Clinical/practicum sites mandate vaccinations against specific diseases such as COVID-19, influenza and/or testing for specific diseases such as tuberculosis. Students are required to follow the medical clearance policies designated by their assigned clinical and/or practicum sites. If a student is denied entry to a required clinical/practicum site based on lack of vaccinations or testing, the student will not be able to complete the clinical/practicum course. As a result, successful completion of the program may not be possible.

CPR Requirements: The student must hold a current **American Heart BLS** Healthcare Provider CPR upon entry into and throughout the program.

Program Exams: Standardized achievement tests as well as comprehensive final exams are given in each PNSG course throughout the program. All students are required to participate in the standardized evaluation process. Failure to participate will result in failure of the course.

Program Policies & Procedures: Students will be provided a copy of the required skills checklist.

NAST 2100	Pre/Co: ALHS 1090	Nurse Aide Accelerated	2	16		7	7
		Total Credit Hours		9			
Request for Graduation (Nurse Aide Accelerated TCC)					Total Contact Hours: 9		
Total Credits Needed to Graduate = 9							

** Each program has requirements for passing the classroom and clinical portions. Once you successfully pass the program course, you will then need to pass the Written/Oral and Skills State Competency Examination with state test vendor within one year (3 attempts) of completing the program that certifies you as a nurse aide in the state. At that time, your name will be listed on the Georgia Nurse Aide Registry within 10 business days.*

Clinical Requirements Checklist

STUDENT NAME:		Date:
Prior to beginning a clinical rotation for any semester that includes clinical courses, the student must demonstrate compliance with the following immunizations and other requirements listed below on this document.		
☐	MMR (Measles, Mumps, Rubella):	- If born after 1957, a positive titer OR evidence of two (2) MMR immunizations are required. - If born before 1957, a positive titer OR one the first MMR immunization is required.

☐	Pregnancy Statement, if applicable	
	By signing below, student acknowledges agreement with the Clinical Requirements Policy.	

Chattahoochee Technical College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate degrees. Chattahoochee Technical College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Chattahoochee Technical College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org)

Equal opportunity and decisions based on merit are fundamental values of the Technical College System of Georgia (TCSG). The TCSG State Board prohibits discrimination on the basis of an individual's age, color, disability, genetic information, national origin, race, religion, sex, or veteran status ("protected status"). No individual shall be excluded from participation in, denied the benefits of, or otherwise subjected to unlawful discrimination, harassment, or retaliation under, any TCSG program or activity because of the individual's protected status; nor shall any individual be given preferential treatment because of the individual's protected status, except the preferential treatment may be given on the basis of veteran status when appropriate under federal or state law.

Chattahoochee Technical College is an equal opportunity employer. All employment processes and decisions, including but not limited to hiring, promotion, and tenure shall be free of ideological tests, affirmations, and oaths, including diversity statements. The basis and determining factor for such decisions should be that the individual possesses the requisite knowledge, skills, and abilities associated with the role, and is believed to have the ability to successfully perform the essential functions, responsibilities, and duties associated with the position for which the person is being considered. At the core of any such decision is ensuring the institution's ability to achieve its mission and strategic priorities in support of student success.
