****See the Health Sciences webpage, catalog, or a Health Sciences advisor for general education elective courses.*

Immunizations:

Chattahoochee Technical College does not require vaccinations as criteria for admission and enrollment of students; however, immunizations are required for college health programs by our clinical partners. Students may not complete clinical rotations without meeting clinical site immunization requirements. All required vaccinations must be complete prior to starting clinical practice. Students completing internships or practicums in other majors must adhere to all job site vaccination guidelines. Clinical and job site requirements can and do change without notice or input from the College.

Academic Advisement:

Students should email an Academic Advisor with questions about admission criteria or to schedule an advisement appointment. For a list of Academic Advisors visit the [Office of Advisement](#) webpage.

Final Class Selection:

Final class selection is based upon the total number of Admission Points. The students with the highest point value will be accepted into the program. A mandatory program orientation will be posted in the acceptance letter. All notification letters are emailed to Chatt Tech students email addresses.

In the event of a tie, students will be ranked based on GPA for the all pre-requisite courses for the Surgical Technology program and/or performance scores of the Purdue Pegboard Dexterity test as needed. The dexterity test will be administered in person at the North Metro Campus.

Accreditation Information:

Chattahoochee Technical College Surgical Technology Program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP). CAAHEP is located at 9355 - 113th St. N, #7709, Seminole, FL 33775. For more information please visit the [CAAHEP webpage](#) or call 727-210-2350.
