Aviation Maintenance Program Fall 2026 Application And Admittance Process

Step 1: Apply to Chattahoochee Technical College

Submit an application through the Chattahoochee Technical College Admissions webpage [Admissions – Chattahoochee Technical College](#). Select the Aviation Training Academy campus, Certificate level, and Aviation Maintenance program. Applicants will be placed in Technical Studies with an Aviation concentration while completing remaining requirements. You must apply and be admitted.

Step 2: Complete College Admission Requirements

Applicants must meet all general admission requirements through the Office of Admissions [Admissions – Chattahoochee Technical College](#) and be officially admitted to Chattahoochee Technical College.

Step 3: Attend a Mandatory Aviation Maintenance Information Session

After admission to the college, applicants must attend a mandatory Aviation Maintenance (A&P;) Admissions Information Session. The dates and times for the information sessions are as follows:

March 16, 2026 at 5pm

March 30, 2026 at 10am

April 13, 2026 at 10am

April 20, 2026 at 5pm

Instructions for submitting the program application will be provided.

Step 4: Submit the Aviation Maintenance Program Application

Completed application packets for the Fall Semester must be submitted by Friday, May 1, 2026. Admission points are awarded based on the Aviation Maintenance Technology Programs Admissions Requirements document [AP Admissions Criteria](#). Pre-admission courses may be taken while enrolled in Technical Studies AAS, subject to space availability.

Step 5: Program Notification and Registration

Applicants selected for the program will receive notification with instructions regarding course registration, payment deadlines, and program start dates.
